The Promoter will inform each participating retail store with whom the Promoter has a wholesale agreement if it has been designated as part of a Platinum Account or an Independent Account.

12. Prize selections from the different prize tiers can be selected by the Staff Entrant using points earned during the Competition Period. For example, a Staff Entrant who earns 60 points during the Competition Period can select either one Tier 3 prize or multiple prizes from the Tier 1 and/or Tier 2 prizes that equate to a total value of 60 points (subject to prize availability and residential restrictions). If requested by the Promoter, a winner must sign an indemnity and exclusion of liability deed (provided by the Promoter) in favour of all parties involved in the Competition and/or providing the prize. If a winner does not sign the indemnity form provided by the Promoter within the time requested by the Promoter, the winner’s entry or claim will be deemed invalid. Participating retail stores must be free of any overdue debts to the Promoter and any of the Promoter’s related body corporate for a Staff Entrant to claim a prize in the Competition.

16. Winners’ names and states of residence may be provided to the participating retail stores for distribution and/or announced by the Promoter through social media and/or on any of the Promoter’s

websites. By entering the Competition, each entrant requests that his or her full address not be published.

17. The Promoter and its related bodies corporate will not be liable for any loss (including, without limitation, indirect, special or consequential loss or loss of profits), expense, damage, personal injury or death which is suffered or sustained (whether or not arising from any person's negligence) in connection with the Competition or accepting or using the prizes, except for any liability which cannot be excluded by law (in which case that liability is limited to the minimum allowable by law). Without limiting the previous paragraph, the Promoter and its related bodies corporate will not be liable for any damage to or delay in transit of the prizes.

18. The Promoter may in its absolute discretion prohibit an entrant's participation in the Competition, cancel a prize or otherwise cease to provide any benefit of a prize to a winner if the entrant or the winner, in the opinion of the Promoter, behaves aggressively or offensively, or behaves in a manner which may diminish the good name or reputation of the Promoter or any of its related bodies corporate (or of the business of the Promoter or any of its related bodies corporate), is contrary to law or is otherwise inappropriate.

19. All entries and materials submitted to the Promoter in connection with the Competition (in any form, including without limitation in hard copy or electronic form), become the property of the Promoter and each entrant warrants that it has the right to transfer these things to the Promoter. The Promoter may use such entries and materials and any intellectual property rights subsisting in them in any medium and in any manner it sees fit, including without limitation, by reproducing, modifying or adapting such entries and materials.

20. If an entrant is unable to or refuses or fails to take part in any element of the Competition, or a winning entry is deemed not to comply with these terms and conditions, the Promoter reserves the right to discard that entrant's entry and proceed as if that entrant had not entered the Competition. The judges' decision is final and no correspondence will be entered into.

21. Entrants acknowledge that there may be inherent risks in some aspects of the Competition, including without limitation a prize and that participation in the Competition and/or using a prize may involve participating in dangerous activities. By entering the Competition and/or accepting the prize, entrants accept that risk.

22. Prizes and participation in the Competition are subject to any conditions imposed by the supplier or organiser of the prizes, as applicable. All vouchers and gift cards are subject to the conditions stipulated by the provider of the voucher or gift card including but not limited to applicable dates. Without limiting any other paragraph in these terms and conditions, the Promoter and its associated agencies and companies make no warranties or representations about the fitness for purpose or suitability of the prize and will not accept responsibility for the quality or fitness for any purpose of any element of the prize, or the failure of any element of the prize to be of merchantable quality. If liability under terms implied by legislation cannot be excluded, the liability of the Promoter is the minimum allowable by law.

23. The Promoter may require a winner to provide identification as requested by the Promoter including (without limitation) proof of identity, proof of age and proof of residency. Identification considered suitable for verification is at the Promoter's discretion.

24. If due to any reason whatsoever the Promoter becomes aware after an entrant has won a prize and that the entrant has not complied with these terms and conditions, that entrant will have no entitlement to the prize, even if the Promoter has announced him/her as a winner and that entrant will be required, at the direction of the Promoter, to return, refund or otherwise make restitution of the prize.

25. The Promoter may, in its sole discretion, disqualify any or all entries from, and prohibit further participation in the Competition by, any person who tampers with or benefits from any tampering with the entry process or with the operation of the Competition or acts in violation of these terms and conditions, acts in a disruptive manner or acts with the intent to annoy, abuse, threaten or harass any other person.

26. No prize is transferable or exchangeable, nor can it be redeemed for cash. If for any reason a winner does not take an element of the prize at the time stipulated by the Promoter then that element

of the prize will be forfeited by the winner and cash will not be supplied in lieu of that element of the prize. The Promoter accepts no responsibility for any variation in prize value. Where an element of a prize is unavailable for any reason, the Promoter may substitute for that element of the prize another item of equal or higher value as determined by the Promoter, subject to the approval of the relevant authorities, if required. Without limiting the foregoing, the Promoter may, at its absolute discretion, substitute cash for any prize (the amount of cash being equal to the element of the prize value specified in these terms and conditions).

27. If for any reason any aspect of the Competition and/or the prizes is not capable of running as planned, including by reason of war, terrorism, state of emergency, disaster, infection by computer virus, telephone network failure, bugs, tampering, unauthorised intervention, fraud, technical failures or any cause beyond the control of the Promoter, the Promoter may in its sole discretion cancel, terminate, modify or suspend the Competition and/or the prizes, or invalidate any affected entries, subject to the approval of the relevant authorities, if required.

28. Without limiting any other paragraph, the Promoter may at its discretion amend any aspect of the Competition or of these terms and conditions, subject to applicable laws and subject to the approval of the relevant authorities, if required. All decisions by the Promoter are final and no correspondence will be entered into. Failure by the Promoter to enforce any of its rights at any stage does not constitute a waiver of those rights.

29. The Promoter accepts no responsibility for any tax implications that may arise from the prize winnings. Independent financial advice should be sought. Where the operation of the Competition results in, for GST purposes, supplies being made for non-monetary consideration, entrants agree to follow the Australian Taxation Office's stated view that where the parties are at arm's length, goods and services exchanged are of equal GST inclusive market values.

30. Each entrant must ensure that any other person whose details have been provided by the entrant to the Promoter for the purposes of the entrant's participation in the Competition has given their implied or express consent for their details to be provided to the Promoter and any of its related bodies corporate and to be contacted by the Promoter or any of its related bodies corporate in relation to the Competition.

31. 32. The: (a) Promoter, the Promoter's related entities and all agencies associated with the Competition; and (b) the employees, agents, directors and contractors, of all entities referred to in paragraph (a) above, shall not be liable for any loss or claim, action, demand, liability, damage, cost, expense or personal injury whatsoever (including but not limited to any direct, indirect or consequential loss), incurred, suffered or sustained by any person or entity (without limitation) in connection with, or arising from, the Competition or the acceptance or use of a prize, except that which cannot be excluded by law (in which case that liability is limited to the maximum extent allowable by law). Nothing in these terms and conditions limits, excludes or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Competition and Consumer Act, as well as any other implied warranties under the ASIC Act or similar consumer protection laws in the States and Territories of Australia and New Zealand (as applicable). Without limitation on the foregoing, the Promoter is not responsible or liable for any costs, loss or damage arising out of any incorrect or inaccurate information, or information provided by the entrant, any variation in prize value to that stated in these terms and conditions, any tax liability incurred by a winner or entrant, any costs whatsoever associated with use of the prize or for any technical error, or any combination thereof that may occur in the course of the administration of the Competition including any omission, interruption, deletion, defect, delay in operation or transmission, communications line or telephone, mobile or satellite network failure, theft or destruction or unauthorised access to or alteration of entries.

33. Unless the contrary intention appears, a reference in these terms or in any advertisement relating to the Competition, to Australian dollars, dollars, A\$ or \$ is a reference to the lawful currency of Australia. All references to dollar amounts are inclusive of goods and services tax (GST).

35. The Competition is governed exclusively by the laws of Australia.

36. Any costs associated with entering and participating in the Competition and/or claiming and/or using a prize are the responsibility of the entrant.
